

SHADEFIN[®]

SHADOW IN SECONDS

Add an extra layer of sun protection with ShadeFin - a product that easily attaches into rod holders, tops and gunnels for convenient, portable shade for almost any boat.

PATENT NO. 10,604,214; 11,220,312

OCEAN-INSPIRED DESIGN

ShadeFin's ocean-inspired design provides expanded shade coverage for multiple areas of the boat, including fore, aft and sides of tops or anywhere there is a rod holder. ShadeFin's 5' X 6' fabric provides an excellent UPF 50+ rating of sun protection while boating and fishing, or when relaxing at the dock and sand bar.

SHADE FOR ALL ACTIVITIES

To anticipate the needs of many boaters, ShadeFin pairs with either a Fixed or Adjustable Rod Holder Mount, which insert into any standard T-top rod holder or into a gunnel rod holder with an adapter, the Grand Slam 170 Outrigger or 170-2 Center Rigger Mounts, or with a Fixed or Adjustable Clamp-On Mount for pipe or tube. ShadeFin also works with a Telescopic Rod Holder Accessory for extended coverage right from the gunnel. ShadeFin's body houses the ribs and material and is offered in black or white.

PROTECTIVE MESH STORAGE SLEEVE

A protective mesh storage sleeve comes standard with the 12-pound ShadeFin. To operate ShadeFin, remove the sleeve, mount to a desired location onboard and activate the underside release tabs. Structural ribs attached to weather-resistant sun-protecting fabric expand out from the body to lock the fin in place.

- ▶ PORTABLE

MOUNTING OPTIONS FOR TOPS, PIPE & ROD HOLDERS

ShadeFin comes as a kit with a Fixed Rod Holder Mount and Gunnel Rod Holder Adapter, or individually without a mount or adapter and sold-separately mounting options.

FIXED ROD HOLDER MOUNT

T10-3000-5

- ▶ Type-304 stainless steel
- ▶ Features bottom locking knob for secure rod holder placement
- ▶ Features white nylon sleeve for additional rod holder stabilization
- ▶ Patent pending

ADJUSTABLE ROD HOLDER MOUNT

T10-3000-6

- ▶ Type-316L stainless steel
- ▶ Features bottom locking knob for secure rod holder placement and top Sure-Grip knob for secure angle adjustment
- ▶ Adjusts up and down every 15° with safety detents
- ▶ Patent pending

ADJUSTABLE CLAMP-ON MOUNT FOR 3/4" TO 1" PIPE, 1-1/4" TUBE

T10-3000-7

- ▶ Type-316L stainless steel
- ▶ Features Sure-Grip knob for easy and secure angle adjustment
- ▶ Adjusts up and down every 15° with safety detents
- ▶ Patent # 7309054 B2

FIXED CLAMP-ON MOUNT FOR 3/4" & 1" PIPE, 1-1/4" TUBE

T10-3000-11

- ▶ Easily installed on your existing T-top piping
- ▶ Type-316L stainless steel
- ▶ Includes self-aligning notch and pin-locking hole
- ▶ Patent # 7309054 B2

GRAND SLAM OUTRIGGER OR CENTER RIGGER MOUNT

GS-170 & GS-170-2

- ▶ Stainless-steel and Anodized Aluminum construction
- ▶ Sure-Grip knob allows lift adjustments every 18°
- ▶ Locking lever secures out-bound rotation to desired location

GUNNEL ROD HOLDER ADAPTER

T10-3000-12

- ▶ Designed to pair with the Fixed or Adjustable Rod Holder Mounts to fit in any standard gunnel rod holder
- ▶ 1-1/2" O.D. X 13.5" L
- ▶ Anodized aluminum finish

ROD HOLDER MOUNTS

For standard rod holders on boat tops, ShadeFin pairs with either the Fixed or Adjustable Rod Holder Mount. The Rod Holder Mounts feature bottom locking knobs that secure the mount into the rod holder. Simply install by inserting the Fixed or Adjustable Rod Holder Mount into a firmly welded T-top rod holder and secure in place using the nylon sleeve and Locking Knob.

ROD HOLDER MOUNT ACCESSORIES

For standard gunnel rod holders, the Fixed and Adjustable Rod Holder Mounts also fit any standard gunnel rod holder with an adapter or the Telescopic Rod Holder Accessory, sold separately.

GUNNEL ROD HOLDER ADAPTER

T10-3000-12

Designed exclusively to pair with the Fixed and Adjustable Rod Holder Mounts for ShadeFin, the Gunnel Rod Holder Adapter attaches to butt end of either mount to fit into any standard gunnel rod holder. The Gunnel Rod Holder Adapter comes included with the ShadeFin and Fixed Rod Holder Mount Kit, as well as the sold-separately rod holder mounting options.

- ▶ Anodized aluminum finish
- ▶ Fits Fixed Rod Holder Mount (T10-3000-5) and Adjustable Rod Holder Mount (T10-3000-6)

TELESCOPIC ROD HOLDER ACCESSORY

T10-3000-9

The Telescopic Rod Holder Accessory is a versatile attachment option that inserts into standard gunnel rod holders for portable, adjustable boat shade. Made from high-quality, lightweight anodized aluminum, the Telescopic Rod Holder Accessory extends from 42" to 67" tall - elevating ShadeFin over the deck for boaters to comfortably stand underneath.

- ▶ Features Sure-Grip Knob at the joint with a secure Pull Pin Lock
- ▶ Features a throw latch for secure height adjustment from 42" to 67"
- ▶ Features solid aluminum gimbal butt and internal Delrin bearings
- ▶ Pairs with T10-3000-5 or T10-3000-6 at the top, sold separately

TELESCOPIC ROD HOLDER ACCESSORY

To use the Telescopic Rod Holder Accessory, simply insert the solid gimbal butt into any standard rod holder on the gunnel, remove the Pull-Pin, adjust the upward angle using the Sure-Grip Knob at the bottom joint to the desired 0°, 15°, or 30°, and reinstall the Pull Pin. Then, at the top, simply insert the Fixed or Adjustable Rod Holder Mount into the opening. The mount will secure in place when its gimbal butt seats into the Accessory gimbal pin. Then attach ShadeFin into the Mount, as directed in the Instruction Manual, and deploy. Use the throw latch to adjust the ShadeFin height and horizontal rotation.

CLAMP-ON MOUNTS

The Fixed or Adjustable Clamp-On Mounts securely attach to 3/4" or 1" schedule-40 pipe or 1-1/4" tube. These are great options for T-tops, grab rails, towers and arches.

YOU WANT

GRAND SLAM 170 & 170-2 MOUNTS

The TACO Grand Slam 170 Outrigger and 170-2 Center Rigger Mounts serve as versatile bases for horizontal and vertical adjustment for ShadeFin. Using the GS-170 enables boaters to have a ShadeFin on both port and starboard, if desired. The GS-170-2 is a great mount for added stern shade.
