

RUB RAIL MOUNTED LED NAVIGATION LIGHT SET 2-1/2"

With constant innovation in mind, we've developed a line of Rub Rail-mounted LED navigation lights - sleek, low-profile lights designed to allow for cleaner, open decks with non-obstructed view points. Very popular with bay boats, these easy-to-install lights meet ABYC and USCG requirements for both sail and powerboat designation, have a water-resistant IP68 rating and provide hours of maintenance-free, reliable use.

FEATURES & BENEFITS

- Ideal for up to 30' boats and designed to fit the popular 3/4" insert profiles
- Special order item sold in pairs with one 3-watt port (red) light and one 2-watt starboard (green) light
- Brightness compares to 10-watt incandescent light
- Enables more deck space and easy to install
- Provides a 112.5° unobstructed view with less glare
- Certified for ABYC/USCG-required for 2 NM for both sail and powerboat designation
- Low-voltage 12-14VDC
- Anodized aluminum heat sink for maximum heat dissipation
- LED lights are mounted in a heavy gauge polished stainless-steel joiner cover
- Water-resistant IP68 rating
- Takes a 1-inch #8 stainless-steel fastener (not included)

Proper installation of Navigation Lights is very important. Please contact TACO Marine customer service before purchasing or installing.
