

SIESTA SPORT CHAIR

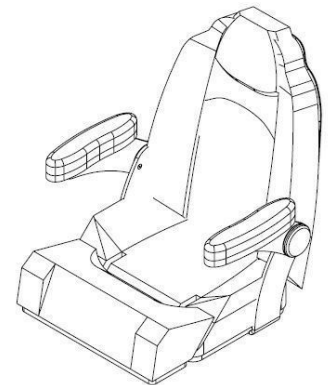

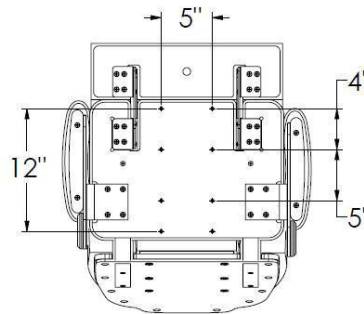

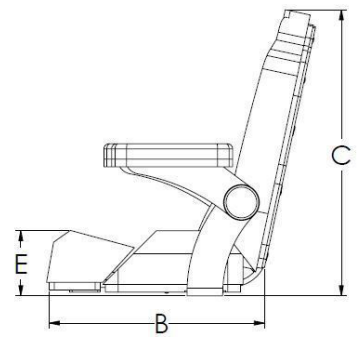

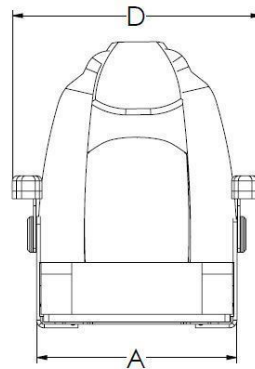

Introducing the classy yet functional Siesta Sport Chair. The Siesta's unique design features a sporty tapered head support, which is less bulky around the crest than other chairs. The Siesta also features an uncomplicated bolster – providing for quick, secure adjustments that make it double as a leaning post. Additionally, it features strong, adjustable armrests. For larger center consoles, easily place two or more Siesta Sport Chairs side by side. The Siesta Sport Chair is made from premium quality, marine-grade vinyl fabric treated with anti-microbial and UV stabilizers. It comes with plush, anti-bacterial foam padding, which provides durable support and protection from mold and mildew.

Shown with custom vinyl and quilting
