

STAINLESS STEEL UPHOLSTERY CLIP TWO-PIECE COMBO

No more upholstery clip snags. Easily align, secure and remove combing pads, cushions and other upholstered products with this stainless steel Type-316L upholstery clip pad and rod two-piece combo. This flush-mount combo system allows upholstered pads and cushions to be secured in-place at the pre-set location with no wiggle room or loosening. For fishing or high-speed cruising, easily detach the upholstered cushions and stow.

FEATURES & BENEFITS

- Combo includes threaded rod and round pad upholstery clips
- Manufactured from Type-316L stainless steel
