

## T-TOP EXTRUSION PLATE, PRE-DRILLED GS MOUNT

The ease of installing TACO Marine Grand Slam Outrigger Bases into your T-top is simplified with our T-Top Extrusion Plates. These plates perfectly match any of our Grand Slam Outrigger Mounts, which makes fabrication a breeze. Once installed, drop in the bases and go fishing.

### FEATURES & BENEFITS

- ▶ Perfectly sized to all Grand Slam 200, 300 and 400/500 series bases
- ▶ Comes in three different lengths to meet your needs
- ▶ Once welded into your T-top, no drilling required
- ▶ Heavy duty aluminum construction
- ▶ Channelled to allow rigging and wiring runs
- ▶ Sold in pairs
